25 YEARS OF COMPASSION

## Celebrating Cardinal Hospice Care's Milestone Anniversary

### A Legacy of Compassion

Twenty-five years ago, we embarked on a mission to make a difference in the lives of individuals and families facing some of the most challenging moments. Over the past quarter-century, our dedicated team has been privileged to provide care, comfort, and support to countless individuals across our communities we serve.

### Partners in Care

One of the most beautiful aspects of our work is the relationships we've built along the way. We've had the privilege of working hand-in-hand with skilled nursing facilities and other healthcare partners to provide not just medical care but also a source of solace during difficult times.

### Looking Ahead

As we celebrate this 25th anniversary, we're also looking forward to the future of our collaboration. Our commitment to providing the best care possible remains stronger than ever. We'll continue to innovate, educate, and advocate for the highest standards of hospice care, ensuring that every individual we serve finds peace, comfort, and dignity during their end-of-life journey. None of this would have been possible without the incredible dedication of our team, the trust of our skilled nursing facility partners, and the support of our community. We extend our heartfelt gratitude to all who have been a part of our journey.

Thank you for being a part of Cardinal Hospice Care's journey. Here's to 25 years of compassion, collaboration, and continued care.
