

Hospice Patient Care Outcomes

Our interdisciplinary team of hospice healthcare professionals have specific skill sets to support patient-centered hospice care. As a locally owned hospice company, we work together towards a common goal of providing optimal care with the patient's wishes at the forefront. Our results from Medicare's Hospice comparison:

WHEN CONSIDERING HOSPICE, KNOW YOU HAVE A CHOICE

QUESTIONS YOU MAY WANT TO ASK YOUR PROVIDER:

1. Will I have the same hospice nurse?
2. What other members of the hospice team might I see, and how often will I see them?
3. How will the hospice team manage my pain or other symptoms that arise?
4. Will my family and I be involved in making care decisions?
5. How will the hospice team prepare my family and I for what to expect?
